Subject: SB 403 amandments

Casey,

Could you draw up the following amendments to SB 403.

First amendment: Do away with Sections 1 - 6 the pathway to improvement part. There is also some language in section 22 that would need to be deleted.

Second amendment: Change the financing of the pathway to improvement payment the local share. Use only the state money to fund the pathway to improvement. This action would reduce the size of the "grants" to districts. Currently the payment is \$500 for the first year and \$1000 for the second year, these amounts would be reduced. Jim S. will have this information for you.

Thank you for your work.

Tom F.
